Dear Heavenly Father,

We praise your name this morning because of our great joy in worshiping you in public and private. As we share this remembrance of your meal with your Disciples, let us take on your whole armor. Lord, equip us with the breastplate of faith and love and the helmet of salvation. Guides us as we march on carrying your loving ways to those around us. This week, Lord has been set aside as a specific day and time to thank you for all we have. Please help us to have thankful hearts at all times. Every day we have is a gift from you, and we need to remember that and thank you daily. Lord bless this bread and wine that we are about to partake. Let us use this time to celebrate our relationship with you. Hear our hearts as we express our love for you by repeating the prayer that you taught your disciples our Father....
