Holy God, we are a thankful people.

This is a time of remembering. There are so many things that we can be thankful for. We're thankful for our very lives, our freedom, and we are thankful for our church. We're thankful for our families but most of all at this time help us to be thankful for you, dear God, for you gave yourself you gave your body you gave your blood so that we might have eternal life.

Help us to remember your sacrifice as we take this cup we asked this in your holy name amen.
