

Title: Communion Prayer

Submitted by: Pam Cunningham

Position & Church: Elder First Christian Church-Perry, Oklahoma

We gather around this table today to both honor your son and to receive your blessing. Through this act of remembrance.

We praise you Lord for all the blessings you have bestowed on us. We praise you for the trying times as well, because that is how we grow to trust you more.

Help us Lord, to focus on you and to see you in our daily lives. Help us to acknowledge you in all that we do, giving you all the glory.

Hear us now, as we pray the prayer your son taught us. Our Father...
