

Communion Prayer

We gather around this table in a spirit of love, a love that you show us, a love that you give us everyday. Help us please to share that love with everyone we meet. The sacrifice you made for us so that we might be forgiven is an example of how forgiveness needs to be shared, not seven times but seventy times seven. From your sacrifice you gave us the ultimate gift, you gave us forgiveness for our sins. We ask that forgiveness be shared with others as we go into the week and spread your love.
